Subject :- Simplification of the procedure for Medical Re-imburement claim for treatment outside the State in referred cases.

In accordance with the existing provisions of C.S.(M.A.)Rules,1944, Government servants claim re-imburement of cost of medical treatment in the prescribed forms. The claims are certified in the said forms and vouchers/Money receipts are countersigned by the authorised medical attendant of the Hospital/Consulting rooms where the treatment is undertaken, as admitted under the Rules.

2. Difficulties are being experienced to obtain countersignature and certificates from doctors of the hospitals outside the State whereto the patient has been duly referred for treatment by the State Medical Board. The patient may not be able to prepare the medical claims in the prescribed form at the time of leaving the outside hospitals to which he has been referred by the State Medical Board. On most occasions the treatment also continues even after the release from the hospital and prescribed medicines are continued to be purchased for use.

3. The Governor has therefore, been pleased to order that for simplification of the procedure for bonafide claim for re-imburement for treatment outside the State in referred cases whenever the signature and certificate of the attending

ORDER

Group-A & B officials of State Government are entitled to medical reimbursement facility for the treatment outside the State on being referred by the Standing Medical Board. As per Central Service (MA) Rules 1944 (adopted by the Government of Tripura) families of the State Government Group-A & B officials are also entitled to this facility.

2. Finance Department, Govt. of Tripura vide its Memorandum No. F. 30(1)-FIN (G)/06 dated 20 October 2011 (p-2c) has mentioned that there is need to regulate cases where family members of State Government Group-A & B servants, are not residing with the concerned government servant but staying outside the State and they have no scope to get referred by the State Medical Board to the medical institutions recognized by State Government for medical treatment.

3. The matter regarding extension of medical reimbursement to the family members of Group-A & Group-B officials who are residing with the concerned government servants in Tripura but stay outside the State was under consideration of the State Government for some time. Apart from this, extension of medical reimbursement facility to employees posted in Tripura Bhavan at Guwahati, Kolkata and New Delhi also had been under consideration.

4. After careful examination of the matter, it has been decided to lay down the following guidelines in this regard:

- a) Group-A & B officials will be entitled to medical reimbursement for their family members residing outside the State as per G.O. No.8 dated 25.9.2004 and G.O.No.2 dated 30.8.2007 when any treatment is undertaken in any of the empanelled Hospitals.
- b) In case treatment is done in any other Hospital due to non-availability of empanelled Hospital at the station where family member (s) of the concerned government servant is staying, medical reimbursement will be admissible as per rate of SSKM Hospital, Kolkata or the actual cost of treatment, whichever is lower.
- c) In case of government employees who are entitled to medical reimbursement and are posted in Tripura Bhavan at Guwahati, Kolkata and New Delhi, reimbursement of treatment cost in empanelled hospitals will be admissible as per G.O.s referred to above. If such treatment is undertaken at any other Hospital which is not empanelled, the employee concerned will be eligible to get reimbursement of treatment expenses at the rate of any Government Hospital at Guwahati, Kolkata and New Delhi or the actual cost of treatment, whichever is lower. The entitled government employee may take treatment as per advice of medical

officer attached to any Tripura Bhawan. However, the reimbursement will be done as per normal rules.

5. Consequent upon the above clarifications, administrative departments under the Government of Tripura shall not be required to refer cases either to Health & Family Welfare Department or to Finance Department seeking views on admissibility.

6. This order is issued with concurrence of Finance Department vide No.5705/Com/Fin/2011, dated 5 December 2011 and shall take immediate effect.
