GOVERNMENT OF TRIPURA
FINANCE DEPARTMENT

Dated: 30/04/2019

Gov. F. No. 6 (1)/PS/Fin/Misc/2019/ 9539-64

MEMORANDUM

Subject: State share of 10% in Central Schemes/ NABARD/NEC

The matter of requirement of state share of 10% in Central schemes/ NABARD/NEC is being referred to Finance Department for concurrence by some Departments. As 10% is standard state share for North Eastern states, the Finance Department's concurrence may be presumed while confirming to GOI/NABARD/NEC if required. The Finance Department will provide funds, if required in Revised Estimates.

However, if the state share in any Central Scheme/NABARD/NEC is more than 10%, prior concurrence from Finance Department may be taken before accepting the scheme as there will be substantial financial implications in such cases.
