GOVERNMENT OF TRIPURA
FINANCE DEPARTMENT

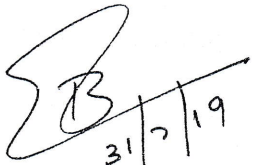

Dated: Agartala, the 31st July, 2019.

MEMORANDUM

Guideline on e-publication of Notice Inviting Tender (NIT)

It has also been seen that some Departments do not e-publish their NIT on the central government's statutory portal eprocure.gov.in in cases other than e-tender. The web publication on central government portal eprocure.gov.in is free and has wider reach. Accordingly, in cases other than e-tender on tripuratenders.gov.in, web publication on eprocure.gov.in should be positively done to ensure wider publicity. This is to be done in addition to web publication on State/ Departmental website and newspaper publication. Those Departments & entities, who have not registered on eprocure.gov.in for e-publication for tenders, should get themselves registered with the help of State NIC (contact person Shri A K Dey) by filling up requisite forms within a month.

The above mentioned guideline should strictly be adhered to.
